ABOUT ME

A 26 years old Filipino citizen who is interested in working with you, I have no experience yet in this field but willing to learn and can easily adapt to meet the needs and expectations of my future employer and clients. A little introduction of myself. I am a 4th year undergraduate student, who was studying my Bachelors degree in Computer Science, also proficient and knowledgeable in the field of computer related work. Can also learn new skills for the benefit of the work and company. Hobbies are Playing PC Games, Bike Riding and reading books, my favorites are books written by J.K. Rowling, Rick Riordan and J.R.R Tolkien
